1 About the Children's Savings Account

This is an account for children under fifteen years of age that earns credit interest. The account is designed for the specific benefit of the child, but it must be opened and operated by an adult. It is a requirement that there be an adult signatory to the account (e.g. a parent, guardian or other adult) and that the signatory's identity be verified.

2 Features

2.1 This account offers the following facilities:

- Bankwest Online Banking;
- Online Business Banking; and
- Phone Banking.

2.2 Online Business Banking

If the authorised signatory wants to access this account in Online Business Banking, they need to apply for Online Business Banking. They will be provided with a separate Product Disclosure Schedule Statement and their use of Online Business Banking will be a matter of separate agreement with us. For further information, please contact us.

2.3 Although the child is the account holder, the child is not an authorised signatory to the account and is not permitted to make withdrawals from the account. Only the parent, guardian or other adult – as authorised signatories to the account – are:

- provided with a security code and a Personal Access Number (PAN); and
- permitted to make withdrawals from the account.

2.4 The account is available to children under the age of 15. Immediately prior to the child reaching 15, we will contact the authorised signatory to the account to discuss the options then available, including other account options.

2.5 There is no minimum deposit required to open the account.

2.6 Direct credits to the account are permitted.

2.7 Statements of account will be provided to the authorised signatory on behalf of the account holder.
