About Online Business Banking

Online Business Banking is an Internet-based banking application which enables businesses to conduct business banking and transact online from nominated accounts.

Features

The aggregation of any available balances or credit limits of other Nominated Accounts is not possible in determining the available balance or credit limit for the selected Nominated Account. If a Payment made in accordance with an Instruction overdraws a Nominated Account you must immediately repay the amount overdrawn.
- 6.2 To effect an Instruction for a Payment you must provide us with a Payment Template including a description of the transaction and the following information in respect of the account to which funds are to be transferred:
 - The account type;
 - The account name;
 - The BSB number; and

- 6.3 Unless otherwise required by law or a code we have committed to comply with, you acknowledge that we shall not be obliged to effect a Payment if:
- You do not provide us with all the information we ask for, including the Nominated Account from which the Payment is to be made, the amount to be paid and the information required by clause 6.2;
 - Any of the information you give us is incomplete or inaccurate;
 - There is a technical failure which prevents us from processing the Payment;
 - The available balance of the Nominated Account from which the Payment is to be made is insufficient to cover the Payment;
 - A hold has been placed on the Nominated Account from which the Payment is to be made; or
 - A Master User has not authorised the Payment.
- 6.4 You may only instruct us to make Payments up to your Daily Payment Limit.
- 6.5 An Instruction for a Payment given on a Business Day after the Payment Cut-off Time may not be processed until the next Business Day.
- 6.6 When the Nominated Account from which the Payment is to be made is a credit card account, we will treat that Payment as a credit card cash advance.
- 6.7 You can request a Payment to be made on a date up to 3 years into the future. If the date stipulated is not a Business Day, or is a non-existent day (for example, a Payment is scheduled for the 31st each month in months where there are only 28, 29 or 30 days), we will make the Payment on the next Business Day. However, we will only make the Payment if the available balance of the Nominated Account from which the Payment is to be made is sufficient to cover the Payment on the date you have stipulated for the Payment to be made or, if that date is not a Business Day, on the next Business Day. In the event that the available balance of the Nominated Account is insufficient on the relevant date, you will need to re-submit your Instruction for the Payment.

- 6.8 You can request that a Recurring Payment be made from a Nominated Account on a daily, weekly, fortnightly, monthly, quarterly, half-yearly or yearly basis. - 6.9 You may alter or cancel a Recurring Payment or future-dated Instruction for a Payment before the stipulated date for the Payment provided your Instruction to do so is given to us prior to 12 midnight WST, the Business Day immediately prior to the stipulated date.
- 6.10 Subject to clause 6.9, you cannot stop a Payment once you have instructed us to make it. However, we will use our best endeavours to assist you in tracing and stopping a Payment if requested.
- 6.11 You must be careful to ensure that you tell us the correct amount you wish to pay. If you instruct us to make a Payment via Online Business Banking and you later discover that:
- The amount you told us to pay was greater than the amount you intended to pay, you must tell us by calling the Bankwest Business Customer Support Team on 13 7000 (for available times search "contact us" at bankwest.com.au) or Bankwest Customer Help Centre on 13 17 19 or by calling into your nearest Bankwest Branch and you should also contact the third party to whom the Payment was made to seek a refund of the excess; or
 - The amount you told us to pay was less than the amount you needed to pay, you can make another Payment for the difference between the amount actually paid and the amount you intended to pay.
- 6.12 A Payment will usually be treated as received by the person to whom it was directed:
- a. On the date you instructed us to make it, if we receive your Instruction before the Payment Cut-off Time on a Business Day; or
 - b. On the next Business Day after you instruct us to make it.
- Notwithstanding this, a delay may occur in processing a Payment because of the action or inaction of another financial institution or non-Bankwest-branded division.

- 6.13 If we are advised that your Payment cannot be processed by another financial institution or non- Bankwest-branded division, we will:
- Advise you of this; and
 - Credit your account with the amount of the Payment.
- 6.14 If a Payment (not being an Unauthorised Transaction) is made to a person or for an amount which is not in accordance with the terms of an Instruction given by a Master User, and a Nominated Account is debited for that Payment, we will credit the amount to the Nominated Account.
- 6.15 Mistakes as to the account to which a Pay AnyBody payment is made
- a. Under the ePayments Code, there are certain processes regarding Mistaken Internet Payments that we and many other ADIs have adopted. They do not apply to transactions where the Pay Anybody service used is a service designed primarily for use by a business and established primarily for business purposes. These processes (which we agree to follow) are set out below. Subject to your rights at law and to the extent not caused by our negligence, fraud, or wilful misconduct or that of our agents, we will not otherwise have liability to you for Mistaken Internet Payments under this clause.
 - b. Overview
 - i. You must report a Mistaken Internet Payment as soon as possible. For how to report a Mistaken Internet Payment, see clause 6.15(c).
 - ii. We will acknowledge each report you make and investigate whether a Mistaken Internet Payment has been made.
 - iii. If the relevant payment has been made to a Bankwest - or CBA-branded Eligible Recipient Account, but we don't agree that it was a Mistaken Internet Payment, we may (but are not obliged to) ask the consent of the recipient to return the funds to you. If consent is given, we will return the funds to you as soon as practicable.

- iv. If a Mistaken Internet Payment has been made to a Bankwest - or CBA- branded Eligible Recipient Account held with us, we will return to you any funds we retrieve from the recipient. The process setting out how we retrieve Mistaken Internet Payments from the unintended recipient is set out in sub-clause 6.15(d).
 - v. If a Mistaken Internet Payment has been made to an Eligible Recipient Account held with another ADI, we will return to you any funds the Receiving ADI provides to us as soon as practicable. The process setting out how we retrieve Mistaken Internet Payments from a Receiving ADI is set out below in sub-clause 6.15(e).
 - vi. Generally, we will return funds to you by crediting the account from which the Mistaken Internet Payment was made. If you no longer have an account with us, or if it is not practicable to credit returned funds to that account, we will return funds to you by some other means.
 - vii. You may not retrieve the full value of your payment if:
 - A. we or the Receiving ADI do not think that a Mistaken Internet Payment has occurred (including because the payment you made was not to an Eligible Recipient Account); or
 - B. we or the Receiving ADI do not retrieve the full value of a Mistaken Internet Payment from the unintended recipient.
 - viii. In any case, we will inform you of the outcome of your report of a Mistaken Internet Payment within 30 Business Days of you making it.
 - ix. If you are not satisfied with how your report has been handled (by us or the Receiving ADI) or the outcome of your report, you can lodge a complaint with us. See clause 18 regarding how to lodge a complaint and how we will handle that complaint.
- c. You may report a Mistaken Internet Payment by:
- i. telephoning our Customer Help Centre on 13 17 19;

- ii. if you are overseas, telephoning us on +61 8 9486 4130. (To use this reverse charges number please contact the international operator in the country you are in and request to be put through to +61 8 9486 4130. Please note: we have no control over any charges applied by the local or international telephone company for contacting the operator)
- iii. logging on to our website (bankwest.com.au) and following the procedures it sets out for reporting a Mistaken Internet Payment;
- iv. calling into any of our Bankwest Branches; or
- v. writing to us at the address shown on the nominated account statement containing the suspected error.

We will advise you of the steps you must take so we can investigate the matter. You must give us full details of the transaction you are querying.

In order for us to investigate the payment, you must complete a Mistaken Internet Payment form and you should do so promptly. This form can be obtained from any Bankwest Branch, our website or by telephoning our Customer Help Centre on 13 17 19. We will contact you if we require further information, and you must supply this information within 10 Business Days.

- d. This sub-clause 6.15(d) applies if we have determined that a Mistaken Internet Payment has been made to a Bankwest- or CBA-branded Eligible Recipient Account.
 - i. Despite paragraphs 6.15(d)(ii) and 6.15(d)(iii) below, if the unintended recipient is receiving Services Australia income support payments or Department of Veterans' Affairs payments, we will recover the funds from the unintended recipient in accordance with the *Code of Operation: Recovery of debts from customers nominated bank accounts in receipt of Services Australia income support payments or Department of Veterans' Affairs payments*.

- ii. If the account into which the Mistaken Internet Payment was made does not have sufficient credit funds to return the full value of the payment, we (or CBA, as relevant) may debit the unintended recipient account for a partial or full amount of the Mistaken Internet Payment in accordance with the process and relevant timeframes described in 6.15(d)(iii) below. If we (or CBA, as relevant) choose to retrieve the full value of the funds from the unintended recipient account, we (or CBA, as relevant) will use reasonable endeavours to do so.
- iii. If the account into which the Mistaken Internet Payment was made has sufficient credit funds to cover the full value of the payment, the following applies:
 - A. If you have reported the Mistaken Internet Payment within 10 Business Days after the payment is made, we will return the funds to you. We will do this within 5 Business Days of determining that the payment is a Mistaken Internet Payment if practicable, although we may reasonably delay the payment up to a maximum of 10 Business Days.
 - B. If you have reported the Mistaken Internet Payment between 10 Business Days and 7 months after the payment is made, we will give the unintended recipient 10 Business Days to establish that they are entitled to the funds. If they do not establish this, we will return the funds to you within 2 Business Days after the expiry of that period.
 - C. If you have reported the Mistaken Internet Payment more than 7 months after the payment is made and the unintended recipient's account has sufficient credit funds, we will ask the recipient if they agree to the return of the funds to you. If they agree, we will return the funds to you as soon as practicable.
- e. If we have determined that a Mistaken Internet Payment has been made to an Eligible Recipient Account that is not a Bankwest- or CBA-branded account, we will follow the ePayments Code process to attempt to retrieve your funds. This process is set out below.

- i. We will send the Receiving ADI a request for the return of the funds. The Receiving ADI is required to acknowledge this request within 5 Business Days and let us know whether there are sufficient credit funds in the unintended recipient's account to cover the payment.
- ii. Despite paragraphs 6.15(e)(iii) and 6.15(e)(iv) below, if the unintended recipient is receiving Services Australia income support payments or Department of Veterans' Affairs payments, the Receiving ADI must recover the funds from the unintended recipient in accordance with the *Code of Operation: Recovery of debts from customer nominated bank accounts in receipt of Services Australia income support payments or Department of Veterans' Affairs payments*.
- iii. If the account into which the Mistaken Internet Payment was made does not have sufficient credit funds to return the full value of the payment, and the Receiving ADI agrees that a Mistaken Internet Payment has been made, the Receiving ADI may debit the unintended recipient account for a partial or full amount of the Mistaken Internet Payment in accordance with the process and relevant timeframes described in 6.15(e)(iv) below. If the Receiving ADI chooses to retrieve the full value of the funds from the unintended recipient account, they must use reasonable endeavours to retrieve the funds from the recipient for return to you.
- iv. If the account into which the Mistaken Internet Payment was made has sufficient credit funds to cover the payment, the following applies:
 - A. If you have reported the Mistaken Internet Payment within 10 Business Days after the payment is made and the Receiving ADI agrees that a Mistaken Internet Payment has occurred, the Receiving ADI is required to return the funds to us within 5 Business Days of receiving our request if practicable, although the Receiving ADI may reasonably delay the payment up to a maximum of 10 Business Days.

- B. If you have reported the Mistaken Internet Payment between 10 Business Days and 7 months after the payment is made, the Receiving ADI has 10 Business Days to investigate whether the payment is a Mistaken Internet Payment. If the Receiving ADI agrees that a Mistaken Internet Payment has occurred, it will give the unintended recipient 10 Business Days to establish that they are entitled to the funds. If they do not establish this, the Receiving ADI must return the funds to us within 2 Business Days after the expiry of that period.
- C. If you have reported the Mistaken Internet Payment more than 7 months after the payment is made, and the Receiving ADI agrees that a Mistaken Internet Payment has occurred, the Receiving ADI must ask the unintended recipient if they agree to the return of the funds.
 - v. If the Receiving ADI doesn't agree that a Mistaken Internet Payment has occurred, it may (but are not obliged to) ask the consent of the recipient to return the funds.
 - vi. If the recipient agrees to the return of the funds, the Receiving ADI must return the funds to us.

7 BPAY Payments

7.1 A BPAY payment is a Payment for the purposes of the Terms but, if there is any inconsistency between the provisions of clause 7 and the Terms, clause 7 prevails to the extent of that inconsistency.

- 7.2 You may use Online Business Banking to make a BPAY payment to Billers under the BPAY scheme. Bills that may be paid through the scheme display the BPAY logo and Biller reference details. The bill will also record the type of accounts the Biller will accept payment from (eg. cheque, savings or credit card).
- 7.3 When you tell us to make a BPAY payment, you must give us the information specified in clause 7.4 below. We will then debit your Nominated Account with the amount of that BPAY payment.
- 7.4 The following information must be given to us to make a BPAY payment:
- a. The Biller code;
 - b. The Biller customer reference number;
 - c. The amount to pay;
 - d. A date if the BPAY payment is to be postdated; and
 - e. The Nominated Account to be debited for the payment.
- 7.5 We shall not be obliged to effect an Instruction to make a BPAY payment if the information is incomplete and/or inaccurate, or the available balance of the account to be debited is insufficient to cover the BPAY payment.
- 7.6 When a credit card account is nominated to pay a bill through the BPAY scheme, we will treat that payment as a credit card purchase transaction.
- 7.7 Except for postdated payments (clause 7.13) we will not accept an order to stop a BPAY payment once we have been instructed to make the BPAY payment.
- 7.8 Generally, a BPAY payment will be treated as received by the Biller to whom it is directed:
- a. On the date we are told to make that BPAY payment, if we receive the Instruction before our BPAY payment cut-off time on a BPAY business day; or
 - b. On the next BPAY business day, if we receive the Instruction after our BPAY payment cut-off time on a BPAY business day, or on a non-BPAY business day.
- 7.9 A delay may occur in processing a BPAY payment where:
- a. There is a public or bank holiday on the day after we are told to make a BPAY payment; or

- b. A Biller, or another financial institution or non-Bankwest-branded division participating in the BPAY scheme, does not comply with its obligations under the BPAY scheme.

While it is expected that any such delay will not continue for more than one BPAY business day, it may continue for a longer period.

- 7.10 Users must be careful to tell us the correct amount to be paid to a Biller. If the amount we were instructed to pay was greater than the amount intended the Biller should be contacted to obtain a refund of the excess. If the amount we were instructed to pay was less than the amount needed to be paid, another BPAY payment should be made for the difference between the amount actually paid to a Biller and the amount needed to be paid.
- 7.11 If we are advised that a BPAY payment cannot be processed by a Biller, we will:
 - a. Advise you of this; and
 - b. Credit your account with the amount of the BPAY payment.
- 7.12 You should carefully check your Nominated Accounts and promptly report to us, as soon as you become aware of them, any BPAY payments that you think are errors or are BPAY payments that you did not authorise.
- 7.13 Postdated BPAY payments
 - a. A BPAY payment may be requested for a date up to 3 years into the future. If the date stipulated is not a Business Day, or is a non-existent day (for example, a BPAY payment is scheduled for the 31st of each month in months where there are only 28, 29 or 30 days), we will make the BPAY payment on the next Business Day. We will only make the BPAY payment if the available balance of the Nominated Account from which the BPAY payment is to be made is sufficient to cover the BPAY payment on the date stipulated for the payment to be made or, if that date is not a BPAY business day, on the next BPAY business day. In the event that the available balance is insufficient to cover the BPAY payment, it will be necessary to re-submit the BPAY payment Instruction.

b. A future-dated BPAY payment Instruction may be altered or cancelled before its stipulated date for payment provided the Instruction to alter or cancel the payment is given before the BPAY payment cut-off time the BPAY business day immediately prior to the stipulated date.

7.14 We may charge a fee to correct errors on your Nominated Accounts due to incorrect BPAY Instructions.

7.15 You acknowledge that the receipt by a Biller of a mistaken or erroneous BPAY payment does not or will not constitute under any circumstances part or whole satisfaction of any underlying debt owed between you and that Biller.

7.16 Your liability for unauthorised and fraudulent BPAY payments will be determined in accordance with clause 14.

7.17 Liability for mistaken BPAY payments

If a BPAY payment (not being an Unauthorised Transaction) is made to a person or for an amount, which is not in accordance with the terms of the Instruction given to us and your account was debited for the amount of that payment, we will credit that amount to your account. However, if you are responsible for a mistake resulting in that payment and we cannot recover the amount from the person who received it within 20 BPAY business days of us attempting to do so; you must pay us that amount.

7.18 Disputed BPAY Payments

Disputes in relation to unauthorised, fraudulent or wrong BPAY payments will be handled in accordance with clause 18. When the Nominated Account from which the BPAY payment is to be made is a credit card account, no chargeback rights under credit card scheme rules are available in respect of the BPAY payment.

7.19 Biller consent

If you tell us that a BPAY payment made from your account is unauthorised, you must give us your written consent addressed to the Biller who received that BPAY payment, consenting to us obtaining from the Biller information about your account with that Biller or the BPAY payment, including your customer reference number and such information as we reasonably require to investigate the BPAY payment. If you do not give us that consent, the Biller may not be permitted under law to disclose to us the information we need to investigate or rectify that BPAY payment.

7.20 Consequential damage and indemnity

Subject to clause 14 and, if relevant, the ePayments Code:

- a. We are not liable for any consequential loss or damage you may suffer as a result of using the BPAY scheme, other than due to any loss or damage you suffer due to our negligence or that of our employees or agents, or in relation to any breach of a condition or warranty implied by law in contracts for the supply of goods and services and which may not be excluded, restricted or modified at all or only to a limited extent; and
- b. You indemnify us against any loss or damage we may suffer due to any claim, demand or action of any kind brought against us arising directly or indirectly because you:
 - i. Did not observe any of your obligations under this clause 7; or
 - ii. Acted negligently or fraudulently.

8.4 You may receive paper bills and statements from a Biller instead of electronic bills and statements:

- a. at your request to a Biller (a fee may be charged by the applicable Biller for supplying the paper bill or statement to you if you ask for this in addition to an electronic form);
- b. if you or a Biller de-register from BPAY View;
- c. if we receive notification that your email mailbox is full, so that you cannot receive any email notification of a bill or statement;
- d. if your email address is incorrect or cannot be found and your email is returned to us undelivered;
- e. if we are aware that you are unable to access your email or Online Business Banking or a link to a bill or statement for any reason; or
- f. if any function necessary to facilitate BPAY View malfunctions or is not available for any reason for longer than the period specified by the applicable Biller.

8.5 You agree that when using BPAY View:

- a. if you receive an email notifying you that you have a bill or statement, then that bill or statement is received by you:
 - i. when we receive confirmation that your server has received the email notification, whether or not you choose to access your email; and
 - ii. at the email address nominated by you;

- b. if you receive notification via Online Business Banking without an email then that bill or statement is received by you:
 - i. when a notification is posted on Online Business Banking, whether or not you choose to access Online Business Banking; and
 - ii. via Online Business Banking;
- c. bills and statements delivered to you remain accessible through Online Business Banking for the period determined by the Biller up to a maximum of 18 months, after which they will be deleted, whether paid or not;
- d. you will contact the Biller directly if you have any queries in relation to bills or statements.

8.6 You must:

- a. check your emails or log onto Online Business Banking at least weekly;
- b. tell us if your contact details (including email address) change;
- c. tell us if you are unable to access your email or log onto Online Business Banking or a link to a bill or statement for any reason; and
- d. ensure your mailbox can receive email notifications (eg it has sufficient storage space available).

8.7 BPAY View billing errors

- a. For the purposes of this clause 8.7, a BPAY View billing error means any of the following:
 - ii. If you have successfully registered with BPAY View:
 - failure to give you a bill (other than because you failed to view an available bill);
 - failure to give you a bill on time (other than because you failed to view an available bill on time);
 - giving a bill to the wrong person;

 - iii. If your BPAY View deregistration has failed for an reason:

- b. You agree that if a billing error occurs:
 - i. you must immediately upon becoming aware of the billing error take all reasonable steps to minimise any loss or damage caused by the billing error, including contacting the applicable Biller and obtaining a correct copy of the bill; and
 - ii. the party who caused the error is responsible for correcting it and paying any charges or interest which would ordinarily be payable to the applicable Biller due to any consequential late payment and as a result of the billing error.
- c. You agree that for the purposes of this clause 8.7 you are responsible for a billing error if the billing error occurs as a result of an act or omission by you or the malfunction, failure or incompatibility of computer equipment you are using at any time to participate in BPAY View.

9 Direct Debits

- 9.1 You can only give an Instruction for a Direct Debit if:
 - a. We have agreed to allow you to use Online Business Banking to give Instructions for Direct Debits;
 - b. You have entered into a **Debit User Indemnity Agreement** with us and you act in accordance with it;
 - c. You hold a current and valid **Direct Debit Request** from each third party from whose account funds are to be transferred and you act in accordance with it;
 - d. You have entered into a binding **Direct Debit Request Service Agreement** with each such third party; and
 - e. You are legally entitled, as between you and the third party, to give the Instruction for the Direct Debit.
- 9.2 To effect an Instruction for a Direct Debit you must provide us with the following information in respect of the account from which funds are to be transferred:
 - The account name;
 - The BSB number; and
 - The account number.

- 9.3 Unless otherwise required by law or a code we have committed to comply with, you acknowledge that we shall not be obliged to effect a Direct Debit if:
- You do not provide us with all the information we ask for, including the Nominated Account to which the Direct Debit is to be credited, the amount to be debited and the information required by clause 9.2;
 - Any of the information you give us is incomplete or inaccurate;
 - There is a technical failure which prevents us from processing the Direct Debit;
 - The available balance of the account sought to be debited is insufficient to cover the Direct Debit; or

- 9.6 You may alter or cancel an Instruction for a Direct Debit before the stipulated date for the Direct Debit provided your Instruction to do so is given to us prior to 12 midnight WST, the Business Day immediately prior to the stipulated date.
- 9.7 Subject to clause 9.6, you may not be able to stop a Direct Debit once you have instructed us to make it. However, we will use our best endeavours to assist you in tracing and stopping a Direct Debit if requested.
- 9.8 You must be careful to ensure that you tell us the correct amount to be debited. If you instruct us to effect a Direct Debit via Online Business Banking and you later discover that:
- The amount you told us to debit was greater than the amount you intended to debit, you must tell us by calling the Bankwest Business Customer Support Team on 13 7000 (for available times search "contact us" at bankwest.com.au) or Bankwest Customer Help Centre on 13 17 19 or by calling into your nearest Bankwest Branch and you should also contact the third party whose account was debited and take steps to provide a refund of the excess; or

- a. On the date you instructed us to process it, if we receive your Instruction before the Payment Cut-off Time on a Business Day; or
- b. On the next Business Day after you instruct us to make it.

Notwithstanding this, a delay may occur in processing a Direct Debit because of the action or inaction of another financial institution or non-Bankwest-branded division.

9.10 We will promptly notify you if we are advised that your Direct Debit cannot be processed by another financial institution or non-Bankwest-branded division.

9.11 Where we have acted on your Instruction for a Direct Debit and your Nominated Account has been credited with the amount of the Direct Debit and either:

- a. It is found that you did not hold a current and valid Direct Debit Request from the third party whose account was debited; or
- b. That third party, through their financial institution, rejects the Direct Debit,

we will debit your Nominated Account with the amount of the Direct Debit.

9.12 If a dispute arises between you and us in relation to a Direct Debit, our respective liabilities are to be determined by the terms of the Debit User Indemnity Agreement and by the terms of the procedures issued by the Australian Payments Clearing Association Limited from time to time governing participation in the "Bulk Electronic Clearing System (CS2)". Neither clause 14 of the Terms, nor the ePayments Code applies to or in relation to an Instruction for a Direct Debit.

10 Suspicion of a Security Breach

- 10.1 If you suspect that a person other than the relevant Master User has become aware of the relevant Master User's PIN or Token Code or gained access to a Security Token, or that any person (including a User) has gained unauthorised access to Online Business Banking, you must immediately report the matter to us by calling Bankwest Business Customer Support Team on 13 7000 (for available times search "contact us" at bankwest.com.au) or the Bankwest Customer Help Centre on 13 17 19 or by calling into your nearest Bankwest Branch and you must immediately ensure that the relevant PAN is suspended, or that the PIN is changed and/or the Security Token is deactivated (as relevant).

- 10.3 If you or a Master User is unable to contact us because our telephone facilities are unavailable, you will not be liable for any losses from Unauthorised Transactions which are caused by the lack of notification provided that you or the Master User notify us within a reasonable time when another means of telling us becomes available (for example by visiting or telephoning one of our Customer Services Centres when it is open). Please note, losses may not be "caused" by a lack of notification if they could have been avoided by immediately changing the relevant Secure Password and/or PIN and this is not done.
- 10.4 Please note that a Mistaken Internet Payment is not the same as a Security Breach or unauthorised access. For Mistaken Internet Payments, refer to clause 6.15.

11 Withdrawal of Authority of a Master User, an Administrator User or an Employee User

- 11.1 If you wish to withdraw the authority of any Master User to access any Nominated Account or Specialist Account, for example should a Master User no longer be an authorised signatory of a Nominated Account or Specialist Account or cease to be employed by you, you should notify us immediately to cancel the Master User's access. Subject to clause 14 of these Terms and, if applicable, the ePayments Code, you agree that you will be responsible for all Instructions given to us in accordance with these Terms and which are authorised by the Master User(s) prior to any such notification including any post-dated Instructions for Payments or Direct Debits and that, if you wish to do so, it is your responsibility to seek to cancel any post-dated Instruction for a Payment or Direct Debit which was given by a Master User prior to the withdrawal of his or her authority.

- 12.4 Online Business Banking allows you to add “Reminders” that contain information specified by you. We will endeavour to ensure that these Reminders are generated as accurately as possible, however, we cannot guarantee that every Reminder will be triggered as required.

13 Availability of Online Business Banking

- 13.1 You may not be able to access Online Business Banking from some parts of Australia or overseas.
- 13.2 You may not be able to access Online Business Banking from all computers or small screen devices due to hardware or software restrictions, connection limitations, the capacity of your Internet service provider, availability of a connection via your mobile telephone provider/carrier or for other reasons outside our control.
- 13.3 We will try (without any legal obligation) to provide Online Business Banking on a 24-hour continuous basis. However, circumstances may not always make this possible, such as, but not limited to, the quality of telephone lines, the type of telephone or telephone exchange or during periods of scheduled maintenance.

14 Liability for Unauthorised Transactions

- 14.1 Subject to clauses 14.2, 14.3 and 14.4, you are liable for losses resulting from an Unauthorised Transaction before we are notified in accordance with clause 10 of these Terms of any unauthorised use of Codes, or other unauthorised access to Online Business Banking.

However, you will not be liable for:

- That portion of the losses incurred on any one Business Day which exceeds the Daily Payment Limit;
- That portion of the losses incurred in a period that exceed the Transaction Limit applicable to that period;
- That portion of the total losses incurred on any Nominated Account(s) that exceeds the available balance of that Nominated Account(s) (including any pre-arranged credit); or
- All losses incurred on any accounts that are not Eligible Accounts.

14.2 You are not liable for losses resulting from an Unauthorised Transaction:

- a. Caused by the fraudulent or negligent conduct of any of our employees or agents or companies or person involved in the Online Business Banking network (or by their employees or agents);
- b. Relating to a forged, faulty, expired or cancelled PAN, Password, PIN or Security Token (as relevant);
- c. Caused by the same Payment being incorrectly debited more than once to the same Nominated Account;
- d. Resulting from unauthorised use of a Security Token or a Password (as relevant) before the Master User has received it;
- e. Resulting from Unauthorised Transactions that take place after we are notified in accordance with clause 10 of these Terms that a Master User's (s') Code has been breached;
- f. That would exceed the amount of your liability to us had we exercised our rights (if any) under a credit card scheme against other parties to that scheme; or
- g. Where it is clear that the Master User has not contributed to the loss.

14.3 Where the ePayments Code applies to an Instruction and we prove on the balance of probabilities that a Master User contributed to the losses resulting from an Unauthorised Transaction:

- a. Through the Master User's fraud;

- b. Through the Master User voluntarily disclosing all of his/her Codes to someone else (including his/her family member) or if we prove on the balance of probabilities the Master User only voluntarily discloses one or more of the Codes but not all of the Codes and we also prove on the balance of probabilities this voluntary disclosure was, nevertheless, the Dominant Contributing Cause of the Losses;
- c. By keeping a record of his/her PIN and Token Code (without making any reasonable attempt to protect the security of these records) on the one article (such as his/her computer terminal or desk) or on several articles which are liable for loss or theft simultaneously and leaves the Security Token unattended in the same place, or if we prove on the balance of probabilities the Master User only keeps a record of one or more of the Codes and/or leaves the Security Token unattended in contravention of this clause and we also prove on the balance of probabilities that this contravention was, nevertheless, the Dominant Contributing Cause of the Losses;
- d. By acting with extreme carelessness in failing to protect the security of all of the Master User's Codes; or
- e. By unreasonably delaying telling us after becoming aware the security of all his/her Codes has been breached;

you will be liable for the actual losses which occur before we are told about the breach of security of the Master User's Codes or Master User's fraud. However, in cases where only 14.3(e) applies, you will be only liable for the actual losses which occur between when the Master User became aware that his/her Codes had been breached and when we were actually notified of that breach.

However, in all cases you will not be liable for:

- That portion of the losses incurred on any one Business Day which exceeds the Daily Payment Limit;
- That portion of the losses incurred in a period that exceed the Transaction Limit applicable to that period;

- That portion of the total losses incurred on any Nominated Account(s) that exceeds the available balance of that Nominated Account(s) (including any pre-arranged credit); or
- All losses incurred on any accounts that are not Eligible Accounts.

14.4 Where the ePayments Code applies to an Instruction, if a Code is required to perform the Unauthorised Transaction and clause 14.3 does not apply, your liability for loss arising from the Unauthorised Transaction, if the loss occurs before we are notified the security of the Codes have been breached, is the lesser of:

- \$150;
- The available balance of those Nominated Account(s) (including any pre-arranged credit) from which value was transferred in the Unauthorised Transaction; or
- The actual loss at the time we are notified the security of a Master User's Codes have been breached (excluding that portion of the losses incurred on any one Business Day that exceeds the Daily Payment Limit and excluding that portion of the losses incurred in a period that exceeds the Transaction Limit applicable to that period).

14.5 Nothing in this document shall be taken to exclude liability which may not be excluded under the Australian Consumer Law. However, to the extent permitted under the Australian Consumer Law and except as otherwise specified in this document, in relation to any loss you have suffered:

- a. our liability is limited to the cost of providing the relevant services again; and
- b. we have no liability for any indirect, special or consequential loss (including loss of profits, actual or anticipated revenue).

For the purposes of this clause, 'Australian Consumer Law' means Schedule 2 of the Competition and Consumer Act 2010 (Cth) and any corresponding state based fair trading legislation.

- 14.6 Subject to clauses 14.3 and 14.4 and to the extent permitted by law:
- a. We agree to accept responsibility for losses caused by the failure of Bank Equipment or the Bank System to complete a transaction accepted by the Bank Equipment or Bank System in accordance with the Master User's Instructions if the Instruction is one to which the ePayments Code applies but not otherwise. However, if the Master User was or should have been aware that the Bank Equipment or Bank System was unavailable for use or malfunctioning then our liability is limited to correcting any errors in the Eligible Account and the refund of any charges or fees imposed on you as a result;
 - b. We will not be liable to you for, or in connection with, the failure of Online Business Banking to perform in whole or in part, any function which we specify it will perform due to a failure caused by your computer system or other equipment owned or controlled by you;
 - c. We will not be liable to you for delays or errors in the execution of any Instruction due to the failure caused by your computer system including other equipment owned or controlled by you or by you giving us incorrect details about your Nominated Account or Payment Instructions;
 - d. We will not be liable in respect of any refusal by another person to accept a Payment or Direct Debit; and
 - e. You will be liable for, and agree to indemnify us against, any loss or damage we may suffer due to any claim, demand or action of any kind brought against us arising directly or indirectly because you:
 - i. Did not observe any of your obligations under these Terms; or
 - ii. Acted negligently or fraudulently in connection with this agreement.
