This fee will not be charged in the month the account is opened.

3.2 Paper Based Fees

This account allows 5 free paper transactions per month.

Each paper transaction over the fee free limit will incur a \$0.60 fee.

A paper transaction is any customer or third party-initiated transaction made at any Bankwest-branded Branch, Bank@Post or via other paper-based means, including each deposit, withdrawal, cheque withdrawal and cheque deposited, and Fast Deposits.

For example - A deposit to an account with two cheques will count as three transactions, one for the deposit (which is charged as a branch transaction) and one for each cheque lodged because each item requires individual processing.

Paper Based Fees are charged on the first business day of the following month.

Additionally, one or more of the paper-based service fees described in our Bankwest Your Guide to Banking Fees brochure will also apply each time a paper-based service described in that brochure is provided. Each such service fee will apply regardless of whether a paper transaction fee described above is payable.

This account allows for 5 free electronic transactions per month.

An electronic transaction is any transaction using electronic means that debits or credits the account.

Each electronic transaction over the fee free limit will incur a \$0.25 fee – however, this fee does not apply for an electronic transaction made using Online Business Banking (which is subject to a separate agreement and separate fee regime).

Electronic Fees are charged on the first business day of the following month.

Additionally, one or more of the electronic based service fees described in our Bankwest Your Guide to Banking Fees brochure will also apply each time an electronic based service described in that brochure is provided. Each such service fee will apply regardless of whether an electronic transaction fee described above is payable.

3.4 Rebate

For each \$1,000.00 of the lowest credit balance held in your account during a month, you will be entitled to receive a rebate of \$1.50 which is set off against maintenance and transactions fees incurred in that month. There is no entitlement to a rebate where the credit balance falls below \$1,000.00 at any time during the month.

Note: The rebate cannot exceed the amount of such fees charged in the month.

3.5 Line of Credit Fee

A Line of Credit Fee applies if:

4 Interest

4.1 Credit Interest

The interest rate is variable. This means that any rate which is stated in this Product Schedule may be changed by us at any time. Any change to an interest rate will be notified in the press. You can obtain information about our current rates by visiting our website at www.bankwest.com.au or by calling the Bankwest Business Customer Support Team on 13 70 00.

Credit interest is usually paid monthly to the account; however annual interest payments can be made.

We will credit this interest to your account on the last business day of the month. If you request annual interest payments, we will credit this interest to you on the last business day of the month you have nominated. We will pay you this interest calculated up to and inclusive of the second last business day of the period you have nominated. Interest accrued after the second last business day will be paid in the next period.

The credit interest rates are as follows (or as otherwise agreed):

Amount From	Amount To	Interest Rate (p.a.)
