Basel II Pillar 3 – Capital Adequacy and Risk Disclosures

Quarterly update as at 31 December 2011

Scope of Application

The Bank of Western Australia Ltd ("the Bank") is an Authorised Deposit-taking Institution subject to regulation by the Australian Prudential Regulation Authority ("APRA") under the authority of the Banking Act 1959 and is a 100% owned subsidiary of the Commonwealth Bank of Australia.

The Bank's capital adequacy and risk disclosure has been prepared in accordance with APRA Prudential Standard APS 330 'Capital Adequacy: Public Disclosures of Prudential Information' which requires the Bank to report its quarterly assessment of capital adequacy on a Level 2 basis.

This document is unaudited, however, it is consistent with information otherwise published or supplied to APRA.

5. Past Due and Impaired Exposures, Provisions and Reserves

APRA Prudential Standard APS 220 "Credit Quality" requires the Bank to report specific provisions and a General Reserve for Credit Losses ("GRCL"). All provisions for impairment assessed on an individual basis in accordance with Australian Accounting Standards ("AASB") are classified as specific provisions. Collective provisions raised under AASB are classified into either specific provisions or GRCL.

6. Glossary

Term	Definition
ADI	Authorised Deposit-taking Institution - includes banks, building societies and credit unions which are authorised by APRA to take deposits from customers.
AASB	Australian Accounting Standards .
APRA	Australian Prudential Regulation Authority - the regulator of banks, insurance companies and superannuation funds, credit unions, building societies and friendly societies in Australia.
APS	APRA's ADI Prudential Standards. For more information, refer to the APRA web site.
Bank	APS asset class - includes claims on central banks, international banking agencies, regional development banks, ADI and overseas banks.
Basel II	Refers to the Basel Committee on Banking Supervision's Revised Framework for International Convergence of Capital Measurement and Capital Standards issued in June 2006 and as subsequently amended.
Collective Provision	All loans and receivables that do not have an individually assessed provision are assessed collectively for impairment. The collective provision is maintained to reduce the carrying value of the portfolio of loans to their estimated recoverable amounts. These provisions are as reported in the Bank's Financial Statements in accordance with Australian Accounting Standards (AASB 139 "Financial Instruments: Recognition and Measurement").
Corporate	APS asset class – includes commercial credit risk where annual revenues exceed \$50 million, SME Corporate and SME Retail.
General Reserve for Credit Losses	APS 220 requires the Group to establish a reserve that covers credit losses prudently estimated, but not certain to arise, over the full life of all individual facilities making up the business of the ADI. Most of the Group's collective provisions are included in the General Reserve for Credit Losses. An excess of required General Reserve for Credit Losses over the Group's collective provisions is recognised as a deduction from Tier One Capital on an after tax basis.
Individual Provisions	Provisions made against individual facilities in the credit-rated managed segment where there is objective evidence of impairment and full recovery of principal and interest is considered doubtful. These provisions are established based primarily on estimates of realisable value of collateral taken. These provisions are as reported in the Group's Financial Statements in accordance with Australian Accounting Standards (AASB 139 "Financial Instruments: Recognition and Measurement"). Also known as individually assessed provisions or IAP.
Level 1	Represents the ADI and each subsidiary of the ADI that has been approved as an extended licence entity by APRA.
Level 2	The level at which the Group reports its capital adequacy to APRA being the consolidated banking group comprising the ADI and all of its subsidiary entities other than non-consolidated subsidiaries. This is the basis of which this report has been produced.
Other Assets	APS asset class – includes Cash, Investments in Related Entities, Fixed Assets and Margin Lending.
Other Retail	APS asset class – includes all retail credit exposures not otherwise classed as a residential mortgage, SME retail or a qualifying revolving retail asset.
Residential Mortgage	APS asset class - includes retail and small and medium enterprise exposures up to \$1 million that are secured by residential mortgage property.
RWA	Risk Weighted Assets – the value of the Group's on and off-balance sheet assets are adjusted according to risk weights calculated according to various APRA prudential standards. For more information, refer to the APRA web site.
Securitisation	APS asset class - includes Group-originated securitised exposures and the provision of facilities to customers in relation to securitisation activities.
Sovereign	APS asset class - includes claims on the Reserve Bank of Australia and on Australian and foreign governments.
Specific Provision	APS 220 requires ADIs to report as specific provisions all provisions for impairment assessed by an ADI on an individual basis in accordance with Australian Accounting Standards and that portion of provisions assessed on a collective basis which are deemed ineligible to be included in the General Reserve for Credit Losses (which are primarily collective provisions on some defaulted assets).
