#### 3.2 Line of Credit Fee

A Line of Credit Fee applies to the account if at any time during the fee raising period:

- (1) there is no Overdraft Facility on the account, but Bankwest elects to honour (pay) the transaction which overdraws the account, and the account is overdrawn during a fee raising period:

  - (b) by any amount for 10 days or more, whether or not consecutive; or
- (3) there is a Fully Fluctuating Limit on the account, whether the account is in debit or credit.

The amount of the fee is calculated using the scale below and:

- If (1) applies, on the maximum debit balance during the fee raising period;
- if (2) applies, on the maximum debit balance after first deducting the applicable Overdraft Facility limit.
- if (3) applies, on the Fully Fluctuating Limit after first deducting any applicable current "fee free" credit limits.

## 4 INTEREST

### 4.1 Credit Interest

The interest rate is variable. This means that any rate which is stated in this Product Schedule may be changed by us at any time. Any change to an interest rate will be notified in the press. You can obtain information about our current rates by visiting our website at [bankwest.com.au](http://bankwest.com.au) or by calling the Customer Help Centre on 13 17 19.

Interest is paid monthly to the account and is calculated up to and including the second last business day of the month. We will credit this interest to your account or your nominated account on the last business day of the month. Interest for any day after the second last business day will be included in the next period.

The credit interest rate tiers are as follows:

Amount From	Amount To	Interest Rate (p.a.)
\$0	\$4999.99	0.00%
\$5000	\$19999.99	0.01%
\$20000	\$99999.99	0.05%

---

\$100000	\$249999.99	0.05%
\$250000	And over	0.30%

Credit interest is calculated at the applicable rate on the entire balance of the account.

**4.2 Debit Interest**

The account must not be overdrawn without prior arrangement; however, if the account does fall into overdraft then debit interest will apply to the overdrawn balance. Debit interest will be charged on the overdrawn balance at an annual percentage rate of 14.51% p.a. in accordance with clause 8.3 of the Bankwest Investment and Transaction Accounts Terms and Conditions. This rate is also referred to as the Variable Overdraft Reference Rate.

**5 FINANCIAL CLAIMS SCHEME**

The Financial Claims Scheme, under the Banking Act, covers deposit amounts you hold in a bank in aggregate up to a statutory prescribed limit (please note that for the purposes of calculating this total joint accounts are considered to be held in equal shares). You may be entitled to a payment in some circumstances. Payments under the scheme are subject to a limit for each depositor. Information about the Financial Claim Scheme can be obtained from <http://www.fcs.gov.au>.
