- 1.5 The Scheme allows primary producers, under the Pay As You Go system, to reduce their instalment income for an instalment period by the amount of farm management deposits made during that period. 4 FINANCIAL CLAIMS SCHEME

The Financial Claims Scheme, under the Banking Act, covers deposit amounts you hold in a bank in aggregate up to a statutory prescribed limit (please note that for the purposes of calculating this total joint accounts are considered to be held in equal shares). You may be entitled to a payment in some circumstances. Payments under the scheme are subject to a limit for each depositor. Information about the Financial Claim Scheme can be obtained from <http://www.fcs.gov.au>.

5 UNCLAIMED MONIES

Farm Management Deposits (**FMD**) were made exempt from the unclaimed monies provision contained in the Banking Act 1959 (Cth) on 30 May 2014. Where an account ceases to be an

FMD, for example because the holder dies, becomes bankrupt or ceases to be a primary producer, the unclaimed moneys provisions will apply.

I.e. if the account ceases to be an FMD and you do not make a deposit or withdrawal on the account for seven (7) years, and the Bank subsequently is unable to contact you despite its reasonable efforts, the Bank will close the account without giving notice and will transfer any credit balance to an unclaimed moneys fund. You may apply for the transferred balance to be returned to you at any time.
