4 Interest

4.1 Credit Interest

The interest rate is variable. This means that any rate which is stated in this Product Schedule may be changed by us at any time. Any change to an interest rate will be notified in the press. You can obtain information about our current rates by visiting our website at www.bankwest.com.au or by calling the Bankwest Business Customer Support Team on 13 7000.

Credit interest is usually paid monthly to the account, however annual interest payments can be made.

We will credit this interest to your account on the last business day of the month. If you request annual interest payments, we will credit this interest to you on the last business day of the month you have nominated. We will pay you this interest calculated up to and inclusive of the second last business day of the period you have nominated. Interest accrued after the second last business day will be paid in the next period.

The credit interest rates are as follows (or as otherwise agreed):

Amount From	Amount To	Interest Rate (p.a.)
\$0	\$4,999.99	0.00%
\$5,000	\$19,999.99	0.01%
\$20,000	\$49,999.99	0.01%
\$50,000	\$99,999.99	0.01%
\$100,000	\$249,999.99	0.01%
\$250,000	And over	0.01%

Credit interest is calculated at the applicable rate on the entire balance of the account.

4.2 Debit Interest

If an approved overdraft is held on the account, the applicable interest rate is the sum of the Bank's Bankwest Reference Rate (currently 8.38% p.a.) plus a margin dependent on the security offered. Should the debit balance exceed the credit limit, or if the account is overdrawn without prior arrangement, debit interest will be charged at the rate being the aggregate of the Bank's Bankwest Reference Rate plus 4.50% p.a.

Interest is debited to the account on the last business day of each month.
