4 Interest

4.1 Credit Interest

The interest rate is variable. This means that any rate which is stated in this Product Schedule may be changed by us at any time. Any change to an interest rate will be notified in the press. You can obtain information about our current rates by visiting our website at bankwest.com.au or by contacting the Contact Centre on 13 17 19 or messaging us in the Bankwest App.

Interest is paid monthly to the account and is calculated daily up to, and paid on, the first business day of the following month.

The credit interest rate tiers are as follows:

Amount From	Amount Up To	Interest Rate (p.a.)
\$0	\$9,999.99	0.05%
\$10,000.00	\$49,999.99	1.40%
\$50,000.00	\$249,999.99	1.90%
\$250,000.00	And over	2.40%

Credit interest is calculated at the applicable rate on that portion of the balance which falls within each of the tiers.

4.2 Debit Interest

If there is an Overdraft Facility on the account and the agreed overdraft limit is not exceeded, interest will be charged on the outstanding balance of the Overdraft Facility at the annual percentage rate set out in the statement of account from time to time.

If there is an Overdraft Facility on the account, we calculate debit interest daily by multiplying the outstanding balance of your account by the annual percentage rate set out in the statement of account from time to time and by dividing the result by the number of days in the year. Debit interest is calculated up to the second-last business day of the month and will be debited to your account on the last business day of the month.

The account must not be overdrawn without a formal Overdraft Facility. However, Bankwest may overdraw the account to cover an unplanned shortfall in funds to meet a particular payment in circumstances where it is impossible or reasonably impractical for Bankwest to prevent the account from being overdrawn. Debit Interest is not charged in this instance.

5 Overdraft Facility

New overdraft facilities are no longer available for sale.

If there is an Overdraft Facility on the account for which a specific repayment term is not stated below, we may at any time demand that you pay the entire outstanding balance of your Overdraft Facility.
