Who does Bankwest act for when providing financial services?

When providing financial services, we generally act on our own behalf. However, we may also act for other product issuers as set out below.

Product Type	Product Issuer
General insurance products such as home and car insurance	Hollard Insurance Partners Limited (Hollard)
General insurance products such as consumer credit insurance and life insurance products	Hallmark General Insurance Company Ltd (Hallmark General Insurance), and Hallmark Life Insurance Company Ltd (Hallmark Life Insurance)

General insurance products such as travel insurance	Zurich Australian Insurance Limited (Zurich)

When we act on behalf of Hallmark General Insurance, Hallmark Life Insurance, QBE Insurance and Zurich, we will provide factual information and/or general advice only under our AFSL and will refer you to the product issuer to enable these products to be provided to you.

The issuer of the product on behalf of whom we act will be identified in the PDS for the product.

How Bankwest and our staff are paid for providing financial services

All Bankwest representatives who provide a financial service to you as a representative of Bankwest (the Representatives) are paid a fixed salary. In addition, they can earn a performance-based bonus and/or other monetary or non-monetary rewards calculated by reference to:

- meeting risk and compliance obligations;
- the financial product they sell, the financial services they refer and whether they achieve their sales and referral targets;
- specific product offers or marketing campaigns; and
- overall team performance including achieving or exceeding team targets;

As the provision of bonuses and rewards are dependent on a range of varying factors and are not solely attributable to any particular financial services provided by a Representative, it is not possible, at any given time, to determine whether a Representative will receive such benefits or rewards or to quantify them.

We may receive commission for the sale of products from Hollard, Hallmark General Insurance, Hallmark Life Insurance and Zurich.

The table below is a summary of the range of commissions that we may receive:

Product	Commission Range
General insurance products such as home and car insurance	0% to 15% of the premium paid
Life insurance and general insurance products such as consumer credit insurance	0% to 20% of the premium paid
Travel insurance	35% of the premium paid

For example, if you buy home insurance issued by Hollard from us, the commission amount, including GST, ranges between 0% to 15% of the premium paid or amount invested (excluding government charges). So if you were to pay \$100 per month for your home insurance premium, we may earn up to \$15 per month commission from Hollard.
