- (3) there is a Fully Fluctuating Limit on the account, whether the account is in debit or credit.

If, in a Fee Raising Period, the account is overdrawn by more than \$30 (allowing for any Overdraft Facility limit), a Line of Credit Fee of \$20 will apply and will be debited to the account.

- If (1) applies, on the maximum debit balance during the Fee Raising Period;
- if (2) applies, on the maximum debit balance after first deducting the applicable Overdraft Facility limit.
- if (3) applies, on the Fully Fluctuating Limit after first deducting any applicable current "fee free" credit limits.

In this item:

Fee Raising Period is a period of three consecutive months:

Bankwest will only charge one Honour Fee per account, per-day.

3.7 Outward Dishonour Fee

A \$10.00 Outward Dishonour Fee will be charged to the account where there are insufficient cleared funds in your account to cover a cheque drawn on your account or an authorised debit request made in respect of your account. 4 INTEREST

4.1 Credit Interest

Credit interest is not paid on funds held in this account.

Interest charges otherwise payable under the Bankwest Low Doc and Bankwest Easy Doc Home Loans will be reduced in accordance with clause 12.3 of the Bankwest Investment and Transaction Accounts Terms and Conditions. The "Offset Account Percentage" for that purpose is 100%.

For example: Assume you have a Bankwest Low Doc Home Loan balance of \$100,000 at 6.80% p.a. and a Easy Doc Offset balance of \$5,000. Then only \$95,000 of the Housing Loan would accrue debit interest at 6.80% p.a.

4.2 Debit Interest

The account must not be overdrawn without prior arrangement; however, if the account does fall into overdraft then debit interest will apply to the overdrawn balance. Debit interest will be charged on the overdrawn balance at an annual percentage rate of 12.88% p.a. in accordance with clause 8.3 of the Bankwest Investment and Transaction Accounts Terms and Conditions. This rate is also referred to as the Variable Overdraft Reference Rate.
