

Gold Term Deposit Product Schedule

NB: This **Product Schedule** is specific to the above product. Together with the Schedule you will be given our **Bankwest Term Deposits Terms and Conditions**. Together these documents comprise the **Bank's Product Disclosure Statement ("PDS")** for the product.

Key features of this account

When your Gold Term Deposit matures you have a 7 calendar day grace period after the maturity date where you may withdraw all or part of your Gold Term Deposit funds, amend the investment term or make other changes to your Gold Term Deposit without incurring a fee.

Once your Gold Term Deposit is open and after each renewal, any requests for withdrawals before the maturity date will require you to provide us with 31 calendar days' notice, unless hardship is applicable as defined by us. If you are considering whether to reinvest or enter into a new term deposit but think you may have a need to withdraw or transfer the funds during the term, another deposit product may be more suitable.

Requests to withdraw your funds after account opening and outside of the grace period may incur a fee or result in a reduction of interest.
