1 About the Kids' Bonus Saver Account

- 1.1 This is a special savings account for children under fifteen years of age that earns credit interest.
- 1.2 The account is designed for the specific benefit of the child but it must be opened and operated by an adult. The child may only hold one account.
- 1.3 To be eligible to open a Kids' Bonus Saver Account, the child must also hold a Children's Saving Account in his or her name.
- 1.4 It is a requirement that there be an adult signatory to the account (e.g. a parent, guardian or other adult) and that the signatory's identity be verified.

2 Features

- 2.1 This account involves a Sweep Facility (see paragraph 4 below) and offers the following facilities:
 - Bankwest Online Banking;
 - Online Business Banking; and
 - Phone Banking.

2.2 Online Business Banking

If the authorised signatory wants to access this account in Online Business Banking, they need to apply for Online Business Banking. They will be provided with a separate Product Disclosure Statement and their use of Online Business Banking will be a matter of separate agreement with us. For further information, please contact us.

- 2.3** Although the child is the account holder, the child is not an authorised signatory to the account and is not permitted to make withdrawals from the account. Only the parent, guardian or other adult – as authorised signatories to the account – are:
- provided with a security code and a Personal Access Number (PAN); and
 - permitted to make withdrawals from the account.
- 2.4** The account is available to children under the age of 15. Immediately prior to the child reaching 15, we will contact the authorised signatory to the account to discuss the options then available, including other account options.
- 2.5** There is no minimum deposit required to open the account.
- 2.6** The maximum opening deposit is \$250.00 and the maximum amount(s) which may be deposited in any calendar month is \$250.00.
- 2.7** If you seek to make a single deposit in an amount greater than \$250.00 in a calendar month, or if a deposit you seek to make would have the effect that total deposits to your account in a calendar month would exceed \$250.00 in that month, the deposit will not be accepted by our system. If such a deposit is accepted unintentionally, for example if our systems are down or if the deposit is made by direct credit, the deposit will be swept automatically to your linked Children's Savings Account and it will be treated as never having been made to the Kids' Bonus Saver Account. If sweeping the full amount would put the account into debit, the available account balance will be swept.
- 2.8** Direct credits to the account are permitted.
- 2.9** If the child's Children's Savings Account is closed, the Kids' Bonus Saver Account must also be closed at the same time.
- 2.10** Statements of account will be provided to the authorised signatory on behalf of the account holder.

3 Fees and Charges

- 3.1** There are no Maintenance Fees for this account.
- 3.2 Other fees which may be incurred on the account**

- 4.4** This sweep facility will continue until:
- a) the account is closed; or
 - b) the Children's Saving Account is closed.

5 Interest

5.1 Credit Interest

Any change to an interest rate will be notified in the press. You can obtain information about our current rates by visiting our website at bankwest.com.au or by calling the Customer Help Centre on 13 17 19.

Interest is paid monthly to the account and is calculated daily up to, and paid on, the first business day of the following month.

Credit interest is calculated at the following rate on the daily balance of the account.

\$0	And over	0.01%
