Welcome to our Easy Transaction Account Product Schedule. I’m Bankwest’s fine print whisperer, I’m here to help you make sense of all the bank stuff.

Great. What's in it for me?

We want to let you know how your account works and be clear on the terms. We’ll try and keep it as interesting as possible.

By the way, is this where I find the info about banking with Bankwest?

Correct. There are a number of documents, including this Product Schedule, that make up the ‘Product Disclosure Statement’ for this account.

These include the following documents which you will be provided with.

- Investment and Transaction Accounts Terms & Conditions
- Banking Services Rights & Obligations
- Account Access Conditions of Use
- Your Guide to Banking Fees

Keep these for future reference, just in case.

Fees & Charges.

ATM Fees: Non-Bankwest branded ATMs may charge a fee ("Direct Charge"), which will be debited from your account and are not reimbursed by Bankwest. So when you're using an ATM for a balance enquiry or to get cash, make sure it's a Bankwest branded ATM.

Can't find a Bankwest ATM? There's no fee associated with ATMs operated by CBA, ANZ, NAB and Westpac ONLY.

Travelling overseas? We charge $5 for every transaction from overseas ATMs (including balance enquiries, withdrawals & denied transaction). These will be charged to the account on the first business day of the following month.

Foreign Transaction Fees:
We charge a fee equal to 2.95% of the transaction amount for each transaction occurring outside Australia (whether in foreign currency or Australian dollars).

For example, a $100 purchase would have a fee of $2.95.
**Fees & Charges continued.**

One more thing, if you spend more money than what’s in your account (including periodical payments, direct debits and cheques), you’ll be charged fees and interest.

**Fees:** If there’s not enough money in your account and the transaction is successful, we’ll charge you $10 (honour fee).

If there's not enough money in the account and we reject the transaction, you'll be charged $10 (outward dishonour fee). We'll only charge this fee once per day, per account.

**Interest:** If your account has a negative balance (less than $0), we'll also charge you debit interest until the negative balance is repaid (i.e. account balance is greater than $0). Debit interest will be charged at an annual percentage rate of 12.88% p.a. as set out in Clause 8.3 of the Bankwest Investment and Transaction Accounts Terms & Conditions (Variable Overdraft Reference Rate).

Other fees which we may charge you for services, including services not specific to this account, can be found in the Bankwest ‘Your Guide to Banking Fees’ brochure.

So, what you’re saying is my account can’t have a formal overdraft facility?

Not normally, no. An Easy Transaction Account is a simple product.

However... if you opened your account before 18/11/2013 the account included a free overdraft called the “Safety Net Facility” up to $100. If you’re overdrawn over $100, a $10 honour fee and debit interest will be charged on the overdrawn balance at an annual percentage rate of 12.88% p.a. as set out in clause 8.3 of the Bankwest Investment and Transaction Accounts Terms & Conditions (Variable Overdraft Reference Rate).

And how does a Mortgage Saver Facility work? It links your home loan to your Easy Transaction Account. Any positive balance (greater than $0) will be ‘offset’ against your home loan, meaning you’ll pay less interest on your home loan each month.

We can de-link your account if:
1. You tell us to,
2. You switch to a different account,
3. Your home loan changes, for instance if it is paid out, closed, ineligible or in default,
4. The ownership of the property securing the loan changes, or
5. You convert your account to a different investment or transaction account product that is not eligible to be linked to a home loan account.

Existing Mortgage Saver Facilities linked to this account prior to 30/06/2014 can be retained but not for new accounts. A $10 monthly Offset Fee will be charged to the account on the first business day of each month where the facility is set up.
