3 Minimum Monthly Deposit

3.1 To avoid payment of the Monthly Maintenance Fee described in clause 4.1, each month, you are required to deposit funds into the account of no less than \$2,000 in aggregate. A deposit, for these purposes, does not include interest earned on any account which you have requested to be deposited to this account or any amount swept from another account to this account by Bankwest in accordance with the terms of that other account. The obligation to deposit this amount does not apply until the end of the first full month after the account is opened.

4 Fees and Charges

4.1 Monthly Maintenance Fee

If the aggregate of deposits made to the account in a month up to close of business on the last business day of the month is less than \$2,000, a \$6.00 Monthly Maintenance Fee will be charged on the first business day of the next month. This fee does not apply in relation to deposits before the end of the first full month after the account is opened.

4.2 Other fees which may be incurred on the account

Other fees which the Bank charges for its services, including services not specific to this account but for which you may be charged are listed in our "Your Guide to Banking Fees" brochure.

5 Interest

5.1 Credit Interest

The interest rate is variable. This means that any rate which is stated in this Product Schedule may be changed by us at any time. Any change to an interest rate will be notified in the press. You can obtain information about our current rates by visiting our website at bankwest.com.au or by calling the Customer Help Centre on 13 17 19.

Credit interest is paid monthly to the account and is calculated up to and including the day before the first business day of each month. Credit interest will be credited to your account on the first business day of each month.

Credit interest is calculated at the following rate on the daily balance of the account.

Amount From	Amount To	Interest Rate (p.a.)
\$0.01	\$5,000.99	0.01%
\$5,001.00	And over	0.01%

5.2 Debit Interest

The account does not have a formal overdraft facility and the account must not be overdrawn without prior arrangement. However, in some cases Bankwest may overdraw the account to cover an unplanned shortfall in funds to meet a particular payment in circumstances where it is impossible or reasonably impractical for Bankwest to prevent the account from being overdrawn. Debit Interest is not charged on this account.

6 Financial Claims Scheme

The Financial Claims Scheme, under the Banking Act, covers deposit amounts you hold in a bank in aggregate up to a statutory prescribed limit (please note that for the purposes of calculating this total, joint accounts are considered to be held in equal shares). You may be entitled to a payment in some circumstances. Payments under the scheme are subject to a limit for each depositor. Information about the Financial Claim Scheme can be obtained from <http://www.fcs.gov.au>.
