## 4 INTEREST

### 4.1 Credit Interest

Credit Interest is not paid on funds held in this account with a Mortgage Saver Facility. The balance of this account will be set off on a daily basis against the current unpaid balance in the housing loan account. The housing loan interest rate will be reduced to 60% (or 0% if you have a Home Loan Expressway or Gold Home Loan) of the applicable rate for the portion of the housing loan balance equal to the balance in this account. Any remaining balance of the housing loan account will attract interest at the rate applicable under your housing loan contract.

Credit Interest is variable. This means that any rate which is stated in this Product List may be changed by us at any time. Any change to an interest rate will be notified in the press. You can obtain information about our current rates by calling the Customer Help Centre on 13 17 19.

Credit Interest is calculated daily on the credit balance by multiplying the balance of your account by the interest rate and dividing the result by 365 (366 in a leap year).

---

We will pay you interest annually calculated up to and including the second last business day in August.

Interest will be credited to your account on the last business day of that month. Interest for any day after the second last business day will be included in the next period.

The credit interest rate is 0.01% p.a. and calculated on the entire balance of the account.

## 5 MORTGAGE SAVER FACILITY

**[From 30 June 2014, this product will no longer be eligible to be linked to a loan account, however existing accounts linked to home loans can remain]**

If you do have a loan account linked to this account (**Offset Account**), then we may de-link your loan account and your Offset Account in the following circumstances:

- (a) when you instruct us to do so;
- (b) if the home loan account is paid out or closed for any reason;
- (c) if you have converted your home loan to an ineligible home loan;
- (d) if your home loan is in default;
- (e) if any property securing your loan account is scheduled for settlement. If settlement does not proceed on the proposed date or on such other date as you may advise us, you may request that we re-link your loan account and your Offset Account. If we do not receive such a request your loan account and Offset Account will remain de-linked. For the avoidance of doubt, settlement includes a transfer, discharge, replacement or any other dealing in relation to any security or any property securing your loan account; or
- (f) if you convert this account to a different investment or transaction account product that is not eligible to be linked to a loan account.
