4 Interest

4.1 Credit Interest

The Credit Interest Rate is variable. This means that any rate which is stated in this Product Schedule may be changed by us at any time. Any change to a Credit Interest Rate will be notified in the press. You can obtain information about our current rates by visiting our website at www.bankwest.com.au or by calling the Bankwest Business Customer Support Team on 13 7000.

Credit interest is paid monthly to the account. We will credit this interest to your account on the last business day of the month. We will pay you this interest calculated up to and inclusive of the second last business day of the month. Interest accrued after the second last business day will be paid in the next period.

The credit interest rate is as follows:

| Amount From | Amount To | Interest Rate (p.a.) |
|-------------|-----------|----------------------|
| \$0 | And Over | 0.01% |

Credit interest is calculated at the applicable rate on the entire balance of the account.

We may at account opening personalise the interest rate payable to you on your account balance by applying a margin to the Credit Interest Rate. Any applicable margin will be set out in a Supplementary Letter at account opening.

We may from time to time change the applicable margin, as disclosed in a Supplementary Letter. In opening your account, you agree that we can send you notice of any such changes electronically at your nominated electronic address.

4.2 Debit Interest

If an approved overdraft is held on the account, the applicable interest rate is the sum of the Bank's Bankwest Business Variable Overdraft Reference Rate (currently 10.07%p.a.) plus a margin dependent on the security offered. Should the debit balance exceed the credit limit, or if the account is overdrawn without prior arrangement, debit interest will be charged at the rate being the aggregate of the Bank's Bankwest Business Variable Overdraft Reference Rate plus 4.50% p.a.

Interest is debited to the account on the last business day of each month.

5 Financial Claims Scheme

The Financial Claims Scheme, under the Banking Act, covers deposit amounts you hold in a bank in aggregate up to a statutory prescribed limit (please note that for the purposes of calculating this total, joint accounts are considered to be held in equal shares). You may be entitled to a payment in some circumstances. Payments under the scheme are subject to a limit for each depositor. Information about the Financial Claim Scheme can be obtained from <http://www.fcs.gov.au>.
