A redraw facility is available on the Business FeeSaver Loan. Funds can be accessed via Online Business Banking (3.1 above) free of charge.

4.6 Other Fees

Additional fees which may be incurred will be outlined in the Offer Letter provided to you during the application process. We can also discuss those fees with you at the time of loan application.

Other fees which the Bank charges for its services not specific to this loan but for which you may be charged are listed in our "Your Guide to Banking Fees" brochure.

5 Interest Calculations and Raising Periods

The applicable interest rate is the sum of the Bank's Business FeeSaver Reference Rate and a risk margin determined by the Bank with regard to the application received.

Interest is calculated daily by multiplying the balance of the account by the interest rate and dividing the result by the actual number of days in the year. Interest is then debited to the account in line with the interest frequency selected on the date the loan is disbursed.

Please note: The interest rate and interest raising dates is calculated from the day the loan is disbursed.
