

Bank from the comfort of home.

Banking online is safe and easy.

This handy step by step guide can help get you started.

Bank Less

Managing your money using Bankwest Online Banking or the Bankwest App are both secure ways to do lots of everyday banking tasks without having to visit a branch.

This guide will show you how to:

Access Bankwest Online Banking and App

Easily update your contact details

View your balance online

Make payments

Create scheduled payments

Change your card PIN

If you have any questions along the way, or would like to know more, feel free to contact our friendly team on **13 17 19**.

To get started, set up your Online Banking.

1. Using your computer, go to **bankwest.com.au**
2. Select '**Log in**' in the top right-hand corner, then '**Personal Online Banking**' from the drop-down box
3. Enter your Personal Access Number (PAN)
If you don't know your PAN look for it on your account statements or the letter or email we sent you when you first opened your account
4. Click '**reset your password online**' and input the correct details
You'll need your PAN, debit or credit card number and PIN, plus access to your registered mobile so we can confirm it's really you.

If you don't have any of this information, have forgotten your PAN or don't have a registered mobile with us, please call us on **13 17 19**.
5. Security Questions – these can help identify you over the phone or if you forget your password
 - a. Click '**upgrade my security**' and enter your secret questions. You'll need to choose 2 from the given menu and create 2 of your own
 - b. When you have finished doing so, click '**next**'
 - c. Confirm your mobile number and click '**next**'

If it's wrong or you do not have a registered mobile with us, you'll need to call us on **13 17 19**.
- e. Review the information you've entered and if correct, click '**confirm**'
- f. Once you've finished click '**start banking**' and you're ready to go.

Now you're ready to use Bankwest Online Banking to help you with everyday banking tasks.

! Updating your contact details:

To make sure we have your correct details, log in to your online banking, select '**My details & security**' from the drop-down menu and follow the prompts.

Make a payment:

1. Select '**make a payment**' from the payments and transfers menu on the left-hand side
2. Select '**Pay AnyBody**' or '**BPAY**'
Pay AnyBody transfers can be used to send money to another Bankwest account or any other bank account in Australia.
'BPAY' is a payment to a business or financial institution who has provided you a biller code.
3. Select the account you would like to make the payment from
4. Enter the amount you would like to transfer
5. Enter a payment description
6. Enter a processing date for your transfer
7. It will default to today. If you would like to make a **scheduled payment**, choose the date in the future you would like the payment to be made
8. If you would like to make **recurring payments**, select a frequency for the payment from the drop-down list and enter an **until date** (when you would like the recurring payment to stop) or how many times you would like the payment to be made
9. Verify the details of the payment and click '**confirm**'
10. If the payment is to a new recipient or above a certain amount, you'll be prompted to receive an SMS. Click '**SMS me now**'.
We'll text an SMS code to your mobile straight away. Check the transaction details are correct and type the 6-digit code into the enter SMS code box and click '**Submit**' to complete the payment.

Change your card PIN:

1. Click **'self-service'** in the menu on the left-hand side
2. Choose **'manage my cards'**
3. Select which card you wish to change the PIN of
4. Enter the desired PIN into the prompted text boxes
5. Select **change PIN number**
6. Click **'SMS me now'** to receive an authentication SMS
7. Enter in the 6-digit code sent to you via SMS
8. Click **'confirm'**.

Setting up the Bankwest App on your mobile:

Another safe way to manage your banking is through the Bankwest App.

If you would like to download the app on your mobile here's how:

You'll need to have set up your Bankwest Online Banking before setting up the app.

1. Tap the App Store or Google Play™ app on your smartphone then search for '**Bankwest**'

2. Tap to Install the Bankwest App

3. Open the Bankwest App and log in using your PAN and your Online Banking password.

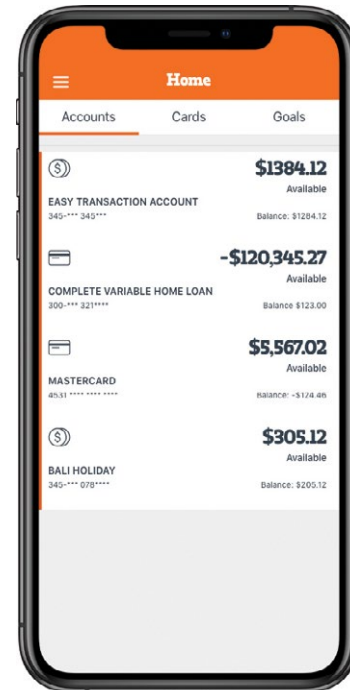

The Basics of the Bankwest App.

How to:

View your balance:

1. The account balance will show up on the home screen. If you have multiple accounts, you may need to scroll down to view them all.

Access the Bankwest App menu by clicking on the three lines located in the top left hand corner of the screen.

Make a Payment:

1. Select **'Make a payment'** in the app menu
2. Select the account you would like to make the payment from
3. Choose a 'pay to' recipient. You can select either **my accounts, payees** or a **BPAY biller**

If you are transferring to a new recipient, you will need to select 'Payee' or 'BPAY' and then 'Add Payee' on the bottom left of the screen and input the correct details.

4. Enter the amount you would like to transfer
5. Enter a processing date for your transfer.
It will default to today
6. If you would like to make a **scheduled payment**, choose the date in the future you would like the payment to be made
7. If you would like to make **recurring payments**, select a frequency for the payment from the drop-down list and enter an until date (when you would like the recurring payment to stop) or how many times you would like the payment to be made

8. Enter a description

9. Click **'next'**
10. Click **'yes'** if all details are correct
11. You'll see a payment receipt to confirm that your payment was successful.

Change your card PIN:

1. Choose the cards tab at the top of the screen
2. Select which card you would like to change the PIN of
3. Choose '**change pin**' in the options list
4. Enter the desired PIN into the prompted text boxes
5. Confirm the PIN by typing it in again
6. Click '**confirm**'.
