## What is a Target Market Determination?

A Target Market Determination (TMD) describes the cohort of customers that the product is targeted at (the Target Market) and any conditions around how the product is distributed to customers (the Distribution Conditions).

It also describes the events or circumstances where we are required to review the Target Market Determination for a financial product (the Review Triggers).

## Why does Bankwest need to have Target Market Determinations?

We're required to have Target Market Determinations under law. The purpose of the law is to make sure customers are at the centre of our approach when designing and distributing our financial products.

This document is not a substitute for the product's Terms and Conditions or other disclosure documents. When making a decision about this product, customers must refer to the relevant Product Disclosure Statement (PDS), Terms and Conditions, or other disclosure documents.

## Target Market

The table below matches the Product Attributes to the Objectives and Needs of the Target Market for this Product. Bankwest has assessed that the Product – including its Key Attributes – are likely to be consistent with the Objectives and Needs of the Target Market.

Objectives and Needs	Product Attributes
